MEMORANDUM FOR: Branch Chiefs, Document Division

SUBJECT : Monthly Statistics

REFERENCE : Memorandum for the Record, dtd. 28 August 1957 # "Monthly Statistical Report of Documents Received and Disseminated"

Effective 2 January 1958, all documents of a non-IAC source and, therefore, assigned a 9,000,000 control number should be counted as non-IAC documents for daily or monthly statistics. This reverses the procedure of the referenced memorandum by which NATO documents have been carried in the Army statistics.
